

## Greytown School Bake Sale at Pet Day

We would appreciate if you could donate some healthy home-made cookies, cupcakes, and/or other goodies that we can sell that morning. Please add a note telling us what the flavour is and if they contain any nuts.

It would be very helpful if larger items were cut into pieces, so they are ready to sell individually.

Bring your baked goods to the office from 8:30am on Friday 23rd October.

Please label all containers and lids with the student's name and their room number so we can return them to you.

Thank you.
