

We truly appreciate all the amazing support given by our local community to our wonderful school through the 2020 Christmas Raffle. Each and every dollar raised will contribute to the costs needed to rebuild a fabulous new Senior Playground.

One local business, GELARTO wants to especially recognise the hard work that the children and parents are doing to support this fundraiser.

Gelarto has generously donated \$75 worth of vouchers for their delicious gelato to reward the 2 “Top Sellers” from each Syndicate! So, you could win yourself a Double Gelarto Voucher!

Thank you Gelarto!

So keep trying hard to sell those tickets, remember to put your name at the top of the sheet and return the tickets and money to the office. The Gelarto vouchers will be awarded to the winning students at the school assembly on Wednesday 2nd December.

Also...keep your eyes peeled for the chance to win a spot prize for returning your sold tickets!

Many thanks goes to the local businesses who have contributed to making this raffle a success! Let's show our appreciation by clicking Like on their Facebook Page and when you shop local let them know their generosity will help Greytown School for many years...
