

TECHCLEAN & RESTORATION

To Whom it may concern;

Ministry of Education/ Holmes Construction have contracted us as Tech Clean & Restoration Ltd (Class A asbestos Licence RA17100151 and Class B asbestos Licence RB19030189) to carry out the removal of the asbestos products at Greytown School.

This removal work will be conducted between the hours of 7.30am to 6pm with a start date on site of **18th September 2021**, work will be completed within 1 week of start date. Asbestos removal works being carried out to Blocks L and M. This work may need to be re-scheduled in the event of bad weather.

This means there will be no access to this property during the duration of these works. The removal will be undertaken by Tech Clean Ltd, specialist asbestos removers. This is to protect you and your family in the extremely unlikely event of an incident occurring.

The following safety measures will be put in place and maintained for the duration of this project:

- Signage (asbestos removal no entry), barrier tape and temporary fencing
- PVA/water mixture applied to asbestos materials to prevent airborne asbestos fibres and dust
- Asbestos will be pulled off in full sheets and not broken, where practicable
- 250 micron polythene sheeting will be used as drop sheeting and containment
- Asbestos material will be wrapped in polythene/and or asbestos bags and placed into asbestos skip bin's on site to be taken away and disposed of at approved landfill
- Independent air monitoring will be placed at work site boundary for the duration of work. If asbestos fibres above the allowable limit are detected, work will cease immediately, and corrective measures applied
- An independent asbestos consultant will carry out inspections of the removal and on completion of the work issue clearance certificate

The asbestos will be sealed and contained during the removal and disposal. The process of removal carries no health and safety implications or requirements to the public.

If you have any questions, please don't hesitate to contact.

Sincerely,

Dale Austen – National Operations Manager
