Re: Covid 19 Vaccine Mandate for School and Kura

The Greytown School Board of Trustees would like to acknowledge the effect of the vaccine mandate on both the staff and our community. This has been a stressful time and we would like to ensure all those affected have support and information from us regarding the mandate and the process to be worked through. The school is bound by the Government's mandate and COVID-19 Public Health Response (Vaccinations) Order 2021.

If you have any queries, please email bot@greytown.school.nz in the first instance.

Kind regards,

Jane Cooper
Greytown School Board of Trustees Presiding Member.
