Kia Ora Koutou Katoa,

We have come to the end of another busy week with our school athletics day and the first of our camps heading away.

Athletics day was a very successful day; beautiful weather, amazing students and lots of families here to support and enjoy the day. I spent the day starting races at the sprints and I was impressed with how many students just had a go at everything! The 3 legged races proved very enjoyable to both participants and audience! The end of day relays were a great highlight for all of us, with the year 8 girls pipping the staff team for the win. A big thanks goes to Mr Preston who led the organisation for our athletics.

I want to congratulate our Enviro School group led by Mrs Mudgway and Mrs Smyth who came second in the Wairarapa School Garden Challenge this year. Our Enviro group has been going from strength to strength this year. We look forward to seeing their next project.

Year 7 Camp

Our year 7 students were out at camp with Beechy yesterday and today and Tina managed to snap a picture of them getting ready for rafting.

Inter Schools Athletics:

Next week students will find out if they have been selected to go through to the South Wairarapa Interschool Athletics event being held on Friday November 25th.

We will need parent support to manage our team.

Life Education Bus Visit:

We have been fortunate to have Laura and the Life Education bus on site for the last two weeks. We were also lucky to have Harold come in to visit and join some of the students during the lunch break. Some of you will have also spotted him joining in the sprints at athletics.

A&P Show Top School Competition:

As part of the A&P Show each year a fun interschool competition is held for our year 3-8 students. This is always a load of laughs and the kids have a great time. Some photos of our year 4s on the night.

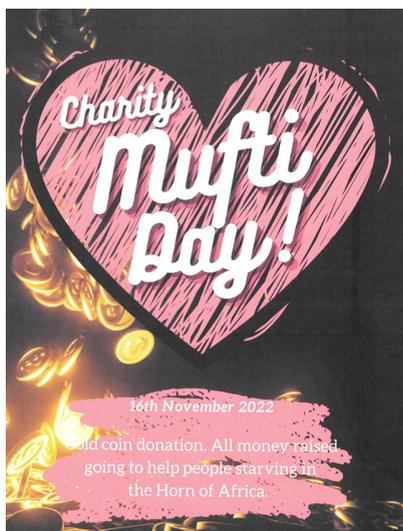

Cookie Time Christmas Fundraiser:

Hopefully you have all received home your order forms for Cookie Time Cookies. If you haven't received your order form you can place an order through the office. Orders close on 25th November and money raised will be used to upgrade the junior playground.
